

Lesson #12 Activity: Interaction Among Organisms Game Cards I
(one set per group) – double-sided with Game Cards II sheet

<p align="center">Game 1 - Species C</p> <p><u>What you need to do to survive:</u> You can eat <u>yellow</u> Smarties. All other colours will make you sick. You must collect at least 6 yellow Smarties to survive the winter.</p>	<p align="center">Game 1 - Species B</p> <p><u>What you need to do to survive:</u> You can eat <u>green</u> Smarties. All other colours will make you sick. You must collect at least 6 green Smarties to survive the winter.</p>	<p align="center">Game 1 - Species A</p> <p><u>What you need to do to survive:</u> You can eat <u>green</u> Smarties. All other colours will make you sick. You must collect at least 6 green Smarties to survive the winter.</p>
<p align="center">Game 2 - Species C</p> <p><u>What you need to do to survive:</u> You can eat any colour of Smarties, but you can only eat those that Species A or B have already put into their cups (not the bowl). You need at least 6 Smarties to survive the winter.</p>	<p align="center">Game 2 - Species B</p> <p><u>What you need to do to survive:</u> You can eat purple and orange Smarties. You need at least 6 Smarties to survive the winter. If another species tries to take your Smarties, you cannot stop them, or guard your cup.</p>	<p align="center">Game 2 - Species A</p> <p><u>What you need to do to survive:</u> You can eat red and blue Smarties. You need at least 6 Smarties to survive the winter. If another species tries to take your Smarties, you cannot stop them, or guard your cup.</p>
<p align="center">Game 3 - Species C</p> <p><u>What you need to do to survive:</u> You can eat blue and green Smarties. Red Smarties are dangerous to your babies, so you should remove them from the bowl before collecting the ones you need. You must collect at least 6 Smarties to survive the winter.</p>	<p align="center">Game 3 - Species B</p> <p><u>What you need to do to survive:</u> You can eat blue and green Smarties.
